2nd Announcement

15. – 18. September 2015

Dear participants,

However the deadline for paper submission specified in the 1st announcement has already passed, there are still some full paper missing until now. We greatly appreciate if you send your full papers until 15 July. Remember we need to review all papers.

The recommended number of page could not exceed six pages as maximum.

We kindly request you to appreciate if you present your paper as oral presentation or it will be presented as a poster. We need this information to complete conference programme.

Best regards,

Organization committee
